HBO's limited series "Big Little Lies" stars Reese Witherspoon, Nicole Kidman and Shailene Woodley as three mothers who reveal the truths behind their perfect-looking lives. Based on the New York Times number one best seller of the same name by Liane Moriarty, the drama weaves a tale of murder while exploring the truth in relationships among husbands and wives, parents and children, and friends and neighbors. The \$39.99 DVD from HBO Home Entertainment includes all seven episodes as well as cast interviews, behind-the-scene footage and additional bonus features.

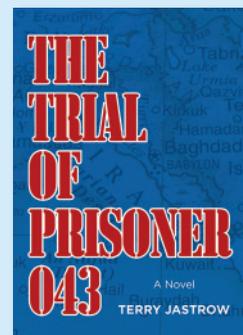

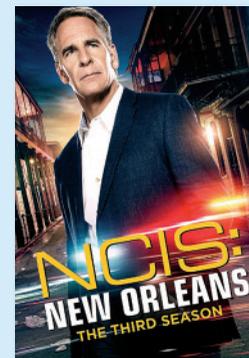

MICHAEL WEATHERLY stars as a psychologist and trial science expert in the CBS drama "Bull." Based on the early days of a real-life TV doctor's career as a trial consultant, the series follows employees at a jury consulting firm, headed by Weatherly, who try to steer jury selection for his clients and help the clients' lawyers decide which argument will win over the jurors. The first season is available on DVD for \$49.99 from CBS Home Entertainment and Paramount Home Media Distribution.

A **STUNNING** documentary, "The Penguin Counters" follows Ron Naveen and a team of field biologists who track the impact of climate change and ocean health by counting penguins. Set in one of the world's most remote destinations, Antarctica, the heartwarming journey is available on DVD for \$19.95 from First Run Features.

"**NCIS: New Orleans**" stars Scott Bakula as a special agent investigating criminal cases involving military personnel in the Big Easy. Bakula and his team will do whatever it takes to defend the city known for music, entertainment and decadence. The third season is now available on DVD for \$49.99 from Paramount Home Media Distribution.
